MARCH 27, 2020

CHILDHOOD IMMUNIZATION

Covid19 Update

Vancouver Coastal Health's Powell River Public Health Department will be providing routine childhood immunizations for 2-month, 4-month, 6-month and 18-month visits. These appointments will be for immunization only.

To book an appointment, please call 604-485-3310.

We will resume our immunization services once it is safe to do so. We will keep the community updated. Thank you for the support VCH Public Health!
